

Treasure Trove

Be mesmerized by the magnificent new shapes and shades of Swarovski's innovations for Fall/Winter 2014/15 – sparkling treasures that enrich any design.

NEW EFFECT
CRYSTAL LILAC SHADOW

A deep purple with an exciting hint of gold – a standout shade unique to Swarovski – Crystal Lilac Shadow both enriches and gives an air of mystery to any design.

NEW COLOR
DARK MOSS GREEN

Mimicking the most precious material nature offers, genuine gemstones, Dark Moss Green is a must for current ecology-aware trends, lending a touch of luxury.

DOME BEAD

This shape marks the spike in Swarovski's development of fashion related components. The Dome Bead is the answer to calls for more elegance than rock, yet more rock than sheer.

SOLARIS FAMILY
FANCY STONE & FLAT BACK
The versatile Solaris Family
has a natural form everyone
intuitively recognizes as well as
the symmetry we all strive for.

CLOVER PENDANT

Everybody needs good luck – and everybody knows how to find it: in the shape of a four-leaf clover. The symbol of the Clover Pendant is universal and international, and, thanks to Swarovski, it is a masterpiece of 3D facets. A feel-good component if there ever was one.

SWEET HEART FANCY STONE

A true classic returns! Countless designers have already fallen in love with the heart shape, making it an unrivalled best-seller. The Sweet Heart Fancy Stone will surely rekindle the flames of this sparkling relationship.

TRILLIANT FANCY STONE

With the Trilliant Fancy Stone, every design exudes noblesse. Its cut sparkles with such grandeur that, despite being a newcomer to the collection, it evokes the treasures of kingdoms past.
